The Importance of Tithi

Tithi or Lunar day represents auspiciousness and we need to understand the birth and the transit tithi. The birth tithi is the lunar birthday and repeats 12 times a year. There are many key aspects of tithi that need to be studied. Tithi has an important role to play in relationships too. The ruler of a tithi is Venus and it represents the water element. Then there is the underlying influence of the sub-elements especially the fire and water tithi. Certain tithis are dagdha or burnt and they will burn the houses in the natal chart. Then to analyze the annual tithi Pravesha chart for annual.

Festivals are celebrated on the tithis – important tithis of the year and the how to choose the right tithi in electing auspicious time.
